## Newsletter on Enchytraeidae No. 10: Proceedings of the 7<sup>th</sup> International Symposium on Enchytraeidae

May 25-28, 2006

Brno, Czech Republic

Edited by  
Jiří Schläghamerský

Newsletter on Enchytraeidae No. 10: Proceedings of the 7<sup>th</sup> International Symposium  
on Enchytraeidae, May 25-28, 2006, Brno, Czech Republic  
Edited by J. SCHLAGHAMERSKÝ

### CONTENTS

Preface (J. Schläghamerský).....	7
List of Participants.....	17
In memoriam: Brenda Healy (R. M. Schmelz).....	19
In memoriam: Wim Didden (J. Römbke).....	27
New enchytraeid species since 2005 (R. M. Schmelz & R. Collado).....	31
<i>Achaeta diddeni</i> sp. nov. (Enchytraeidae, Clitellata) from the northern German lowlands (U. Graefe).....	35
<i>Achaeta pigmentosa</i> sp. n. from Borneo – with dorsal pores (Oligochaeta: Enchytraeidae) (B. Christensen & K. Dózsa-Farkas).....	41
<i>Fridericia brunensis</i> sp. n. (Clitellata: Enchytraeidae) – a new European enchytraeid species similar to <i>F. monochaeta</i> Rota, 1995 (J. Schläghamerský).....	53
Revision of <i>Hemienchytraeus stephensoni</i> (Cognetti, 1927) (Enchytraeidae, Oligochaeta, Annelida) (R. M. Schmelz & R. Collado).....	67
Estonian Enchytraeidae 3. Freshwater Enchytraeidae (T. Timm).....	87
Ecological studies of Enchytraeidae in Irish brackish habitats (B. Healy).....	93
Investigations on the enchytraeid fauna in floodplain soils of the Lower Middle Elbe (A. Beylich & U. Graefe).....	107
The small annelids (Enchytraeidae, Tubificidae, Aeolosomatidae) of a South Moravian floodplain forest with disturbed water regime (J. Schläghamerský).....	123
Preliminary investigations of the enchytraeid fauna in Hungarian greenhouses (G. Boros & K. Dózsa-Farkas).....	135
Enchytraeid species assemblage and dominance spectrum in soils from four different European sites investigated in Terrestrial Model Ecosystems (TME) and in the field (T. Moser & J. Römbke).....	141
Enchytraeidae of tropical soils: State of the art - with special emphasis on Latin America (J. Römbke).....	157
On a species-poor enchytraeid community of peculiar composition (J. Schläghamerský & A. Šídová).....	183
On a collection of Enchytraeidae and Naididae (Oligochaeta) from the Tristan da Cunha Islands, South Atlantic Ocean.....	193
Relating properties of PAHs and aza-PAHs to their toxic effects on <i>Enchytraeus crypticus</i> (K. Kobetičová, J. Hofman & I. Holoubek).....	203
Effect of traffic on survival and reproduction of enchytraeid <i>Enchytraeus crypticus</i> in soils near belt highways (K. Kobetičová, J. Hofman, I. Holoubek & P. Anděl).....	211
Biomarkers of oxidative stress and detoxification in Enchytraeidae – pilot study (E. Šuteková, K. Hilscherová, & J. Hofman).....	221
